Tony Legg
Director SEA Leggs Corporate
Victoria Harbor Melbourne Docklands

Hi Tony,

I am writing to you with a big 'Thank You' for all of your work helping me to coordinate the Team Event for the AXA CRM & FP Workstream Team yesterday (Wednesday 17th November) and the great way that the day turned out for our team.

I have found you a pleasure to deal with during the process of organizing this, you were very helpful and have more than catered to the various needs of our team which made the day a huge success. We were able to incorporate our strategic AXA sessions into the cooking day very well, and also appreciated the way that we were able to learn many new skills in the kitchen from both yourself and Warwick, our wonderful chef!

Everyone who attended yesterday was extremely pleased, and felt that not only did we learn to cook a fabulous three course French meal, (which I'm positive will resurface at many of our future dinner parties) - we all bonded together as a team very well, and were able to help each other to achieve the end result of our delicious lunch being served on time and all tasting fantastic!

I know that I echo the sentiments of the team when I say that we will definitely highly recommend 'Sea Leggs' both internally at AXA and externally in our dealings in the future as we all left the Queen Vic Market Cooking School yesterday with big smiles on our faces and very full bellies!

Thank you again for making our team event day one that we will all never forget.

Kindest Regards,

Stacey Greaves
